Title: Importer ID Input Record.

OMB Number: 1651-0064.

Form Number: CBP Forms 5106.

Abstract: The collection of the information on the Importer ID Input Record (CBP Form 5106) is the basis for identifying entities who wish to import merchandise into the United States, act as consignee on an importation when not the importer of record, or otherwise do business with CBP that would involve the payment of duties, taxes, fees or other monies or the refund of same. Each person, business firm, Government agency, or other organization that intends to file an import entry must file CBP Form 5106 with the first formal entry or request for services that will result in the issuance of a bill or a refund check upon adjustment of a cash collection. This form must also be filed by or on behalf of the ultimate consignee at the first importation in which the party acting as ultimate consignee is so named.
