Permission to Land Procedures

Pilots must secure permission to land by contacting CBP prior to departure from the foreign port or place and at least one hour in advance of the anticipated arrival time at KPRS.

Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside these parameters, previously granted permission(s) are invalid and you must contact the CBP port to re-secure permission to land.

Inspection Process

- Pilots should contact the Port at least an hour before landing.
- CBPO's are not on site and prior arrangements must be made in order to have an officer available to meet the aircraft on arrival.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal.

Special Procedures/Miscellaneous

- None.

NOTE: For further detailed information regarding national GA processing standards and procedures, please refer to the CBP Private Aircraft Arrival Information Document or contact GAsupport@cbp.dhs.gov
