Permission to Land Procedures

Pilots must secure permission to land by contacting CBP
by email at MRW@cbp.dhs.gov prior to departure from
the foreign port or place and at least 24 hours in advance
of the anticipated arrival time at KISP (absent extenuating
circumstances).

Permission to land is granted with a tolerance of (+/-) 60
minutes. If your ETA deviates outside these parameters,
previously granted permission(s) are invalid and you
must contact CBP to re-secure permission to land.

Inspection Process

- The KISP Control Tower will direct all foreign aircraft to be processed at the CBP facility located next to the Modern Aviation building.
- CBP Officers will meet the aircraft on the ramp to begin inspection and no passenger or crew member should depart the aircraft area prematurely.
- All crew and passengers will be brought into our facility to ensure that all CBP formalities and procedures are followed.
- Passengers will be advised to present their formal documents such as passports, visas and other necessary information to be processed.
- Crew will also need these documents as well as pilot's license, medical certificates, aircraft registration and user fee decal.
- Passengers can depart directly from the CBP facility at the conclusion of the inspection.

Special Procedures/Miscellaneous

- Permission to land is only granted by a CBPO via verbal or email confirmation.
- Passenger limit for general aviation aircraft may not exceed 20 passengers, unless prior approval has been given.
- Reimbursable Services (559/RSA) is approved for certain companies.
- Please advise CBP if your aircraft is transporting live animals, weapons, hunting trophies, prohibited food products and commercial imports or carnets.
