

Automation of CBP Collections and Receipts for Maritime Processing

U.S. Customs and Border Protection (CBP) is automating its receipt process for maritime processing fees (Forms 368 Collections and 1002 Tonnage Tax receipts). These changes will enable CBP personnel to collect payment and issue electronic eReceipts quickly and efficiently, while providing the trade with the ability to pay maritime processing fees online.

The new automated process will be piloted at the **New Orleans, Louisiana; Gulfport, Mississippi; Mobile, Alabama and Los Angeles/Long Beach, California** seaports of entry and will be implemented in two phases:

Phase	Start Date	What's changing for the Vessel Entrance and Clearance Process?
Phase 1	Spring 2017	<ul style="list-style-type: none">■ New 368 & 1002 electronic receipts for maritime processing fees will be emailed to owner/operators and designated vessel agents for New Orleans, Louisiana; Gulfport, Mississippi; Mobile, Alabama and Los Angeles/Long Beach, California seaports of entry■ Owner/operators and designated vessel agents will be responsible for printing the emailed receipts for presentation at ports during the pilot
