For the calendar quarter beginning July 1, 2018, the interest rates for overpayments will be 4 percent for corporations and 5 percent for non-corporations, and the interest rate for underpayments will be 5 percent for both corporations and non-corporations. This notice is published for the convenience of the importing public and U.S. Customs and Border Protection personnel.

DATES: The rates announced in this notice are applicable as of July 1, 2018.

FOR FURTHER INFORMATION CONTACT: Shawn Kaus, Revenue Division, Collection Refunds & Analysis Branch, 6650 Telecom Drive, Suite #100, Indianapolis, Indiana 46278; telephone (317) 614–4485.

SUPPLEMENTARY INFORMATION:

Background

Pursuant to 19 U.S.C. 1505 and Treasury Decision 85–93, published in the Federal Register on May 29, 1985 (50 FR 21832), the interest rate paid on applicable overpayments or underpayments of customs duties must be in accordance with the Internal Revenue Code rate established under 26 U.S.C. 6621 and 6622. Section 6621 provides different interest rates applicable to overpayments: One for corporations and one for non-corporations.

The interest rates are based on the Federal short-term rate and determined by the Internal Revenue Service (IRS) on behalf of the Secretary of the Treasury on a quarterly basis. The rates effective for a quarter are determined during the first-month period of the previous quarter.

In Revenue Ruling 2018–18, the IRS determined the rates of interest for the calendar quarter beginning July 1, 2018, and ending on September 30, 2018. The interest rate paid to the Treasury for underpayments will be the Federal short-term rate (2%) plus three
percentage points (3%) for a total of five percent (5%) for both corporations and non-corporations. For corporate overpayments, the rate is the Federal short-term rate (2%) plus two percentage points (2%) for a total of four percent (4%). For overpayments made by non-corporations, the rate is the Federal short-term rate (2%) plus three percentage points (3%) for a total of five percent (5%). These interest rates used to calculate interest on overdue accounts (underpayments) and refunds (overpayments) of customs duties are the same from the previous quarter. These interest rates are subject to change for the calendar quarter beginning October 1, 2018, and ending December 31, 2018.

For the convenience of the importing public and U.S. Customs and Border Protection personnel the following list of IRS interest rates used, covering the period from July of 1974 to date, to calculate interest on overdue accounts and refunds of customs duties, is published in summary format.

Title: Small Vessel Reporting System.

OMB Number: 1651–0137.

Abstract: The Small Vessel Reporting System (SVRS) is a pilot program that allows certain participants using small pleasure boats to report their arrival telephonically instead of having to appear in person for inspection by a CBP officer each time they enter the United States. In some cases, a participant may also be asked to report to CBP for an in person inspection upon arrival. Participants may be U.S. citizens, U.S. lawful permanent residents, Canadian citizens, and permanent residents of Canada who are nationals of Visa Waiver Program countries listed in 8 CFR 217.2(a). In addition, participants of one or more Trusted Traveler programs and current Canadian Border Boater Landing Permit (CBP Form I–68) holders may participate in SVRS.

In order to register for the SVRS pilot program, participants enter data via the SVRS website, which collects information such as biographical information and vessel information. Participants will go through the in person CBP inspection process during SVRS registration, and in some cases, upon arrival in the United States.
For each voyage, SVRS participants will be required to submit a float plan about their voyage via the SVRS website in advance of arrival in the United States. The float plan includes vessel information, a listing of all persons on board, estimated dates and times of departure and return, and information on the locations to be visited on the trip. Participants in SVRS can create a float plan for an individual voyage or a template for a float plan that can be used multiple times.

Current Actions: CBP proposes to extend the expiration date of this information collection with no change to the burden hours. There is no change to the information being collected.

Type of Review: Extension (without change).

Overview of This Information Collection

Title: Trusted Traveler Programs and U.S. APEC Business Travel Card.

OMB Number: 1651–0121.

Form Number: 823S (SENTRI) and 823F (FAST).

Abstract: This collection of information is for CBP’s Trusted Traveler Programs, including the Secure Electronic Network for Travelers Rapid Inspection (SENTRI), which allows expedited entry at specified land border ports of entry along the U.S.-Mexico border; the Free and Secure Trade (FAST) Program, which provides expedited border processing for known, low-risk commercial drivers; and Global Entry, which allows pre-approved, low-risk air travelers expedited clearance upon arrival into the United States.

The purpose of all of these programs is to provide prescreened travelers expedited entry into the United States. The benefit to the traveler is less time spent in line waiting to be processed. These Trusted Traveler Programs are provided for in 8 CFR 235.7, 235.12, and 8 CFR 103.7(b)(1)(ii)(G) and (M).

This information collection also includes the U.S. Asia-Pacific Economic Cooperation (APEC) Business Travel Card (ABTC) Program, which is a voluntary program that allows qualified U.S. business travelers engaged in business in the APEC region, or U.S. Government officials actively engaged in APEC business, the ability to access fast-track immigration lanes at participating airports in the 20 other APEC member countries. This program is authorized by the Asia-Pacific Economic Cooperation Business Travel Cards Act of 2011, Public Law 112–54, and provided for by 8 CFR 235.13 and 8 CFR 103.7(b)(1)(ii)(N). Pursuant to these laws and regulations, CBP can issues ABTCs through September 30, 2018. On November 2, 2017, the President signed into law the Asia-Pacific Economic Corporation Business Travel Cards Act of 2017, Public Law 115–79, which makes the ABTC Program permanent. CBP is in the process of updating 8 CFR 235.13 to conform to the new law.

The data is collected on the applications and kiosks for the Trusted Traveler Programs. Applicants may apply to participate in these programs by using the Trusted Traveler Program Systems (TTP Sys-
tems) at https://ttp.cbp.dhs.gov/. Applicants may also apply for SENTRI and FAST using paper forms (CBP Form 823S for SENTRI and CBP Form 823F for FAST) available at http://www.cbp.gov or at Trusted Traveler Enrollment Centers.

After arriving at the Federal Inspection Services area of the airport, participants in Global Entry can undergo a self-service inspection process using a Global Entry kiosk. During the self-service inspection, participants have their photograph and fingerprints taken, submit identifying information, and answer several questions about items they are bringing into the United States. When using the Global Entry kiosks, participants are required to declare all articles being brought into the United States pursuant to 19 CFR 148.11.
