Lapse in Visa Waiver Program (VWP) Signatory Carrier Agreements

As a reminder, for an aviation or maritime carrier to be eligible to transport VWP travelers without penalty, carriers must become signatory to the VWP. Carriers need to maintain a valid Visa Waiver Program Agreement (CBP Form I-775), valid for 7 years, on file with U.S. Customs and Border Protection. This process is separate from the Electronic System for Travel (ESTA) requirements.

The VWP Signatory Carrier list can be located at
