

**Commercial Customs Operations  
Advisory Committee (COAC)  
Secure Trade Lanes Subcommittee  
In Bond Working Group  
Recommendation**

December 16, 2020

## **COAC In Bond Working Group Recommendation (IBWG)**

1. COAC recommends updating the in-bond authorization date in ACE to reflect the actual physical arrival of the conveyance at the first port of arrival. Due to the importance of the Immediate Transportation date for duty calculations and other concerns about the IT date and the timelines it triggers, this will ensure the in-bond date in ACE accurately reflects the regulations
