

The following is a brief summary of the results of the foreign factory visits by CBP's Textile Production Verification Team (TPVT) program during the U.S. government's fiscal year of October 1, 2018 to September 30, 2019 for the countries listed in the tables below. During the TPVT visits, CBP verified claims for the African Growth and Opportunity Act (AGOA), the Dominican Republic-Central America Free Trade Agreement (DR-CAFTA), and the Qualifying Industrial Zone (QIZ) program as detailed in the tables. The total number of factories identified in the various categories for a given country differs from the total number of factory visits in that country because the TPVT had multiple objectives in visiting the sites.
