**APPENDIX U – HTS/Schedule B Classifications Requiring Used Vehicle Reporting
(Input EV1 Record)**

HTS/Schedule B classifications deemed ‘used self-propelled vehicles’

Report an Input EV1 Record in a commodity filing of a classification deemed a ‘used self-propelled vehicle’. The Input EV1 Record includes the Vehicle Identification Number (VIN) or, if the vehicle does not have a VIN, the Product Identification Number (PIN). Those numbers highlighted in bold require the EV1 record, the other numbers will allow an EV1 record to be reported. Only the HTS/Schedule B classification on this list allow an EV1 record to be filed. An EV1 record is not allowed for other classifications.

See 19 CFR 192 Subpart A – Exportation of Used Self-propelled Vehicles, Vessels, and Aircraft
