What is in a petition for a WRO and/or finding modification or revocation?

What is a Credible Audit?

A Credible Audit includes the following elements:
- Unannounced independent, third-party audit
- All indicators of forced labor addressed
- Interviews completed in native language

DO INCLUDE
- Credible audit results
- Corrective action plan
- Corrective action plan implementation
- Evidence of forced labor indicator remediation and verification by the same third-party auditors

DON’T INCLUDE
- Data dumps
- Policies without verification of implementation
- Incomplete or redundant document submissions

What is a Corrective Action Plan?

A Corrective Action Plan includes the following elements:
- All audit findings
- Actions required to remedy identified forced labor indicators
- Verification and implementation of forced labor indicator remediation
- Clear timeline of milestones to complete
- Consequences if no action taken

Modification or revocation requests may be submitted to forcedlabor@cbp.dhs.gov.
