Importers should have a comprehensive and transparent social compliance system in place. Visit the U.S. Department of Labor (DOL) Bureau of International Labor Affairs (ILAB) website for more details.

How to Set Up a Social Compliance System

1. Engage Stakeholders & Partners
2. Communicate & Train Across Your Supply Chain
3. Assess Risks & Impacts
4. Develop a Code of Conduct
5. Monitor Compliance
6. Remediate Violations
7. Independent Review
8. Report Performance & Engagement

Helpful Hints
- Consult U.S. DOL's Comply Chain application for detailed guidance.
- Keep ILO’s Indicators of Forced Labour in mind when building your system.
