REVISED AIR CARGO MANIFEST INSTRUCTIONS (Effective April 1, 1990)

When this official form is used, carriers shall fill in each of the appropriately numbered boxes with the information required, except boxes 8 and 9, which are reserved for use by freight forwarders who are preparing a consolidated manifest.

If so desired, the previous ICAO standard form may be used in lieu of this official form, provided it contains the same information. Either form may be privately printed as stated in 19 CFR 122.5(b)(2). These forms may be prepared manually or by automated means.

Exception: Rather than completing boxes 12 through 17, copies of air waybills may be attached, and the statement "Cargo as per air waybills attached" shall appear on the form. In that case, only boxes 10 and 11 need be completed.
