CBP-2019-026501	(b)(6)	I am currently in the process of applying for legal residency via an approved petition (I-130) from my USC wife. I will be submitting my adjustment of status (Form I-485) but before I can submit it, I need record of all my entries and attempted entries including approved and denied permits/entries. As a Salvadorian national, I applied for a visa which was approved for five years, between the years of December 1998 and 2002. During those years I had about 5 permits of entry but on the last occasion my entry was denied and my visa was suspended. As such I would like any and all records that reflect any lawful entry, denied permit , and or removal. Again on 2002 I came via airport to the US but once I arrived my entry was denied and I was sent back to El Salvador so I am seeking that record.	2/4/2019	Partial Grant/Partial Denial

CBP-2019-026536	(b)(6)	On Sunday, December 9, 2018, I was stopped and fined at the Buffalo border. The agent(s) said they found marijuana in my car. I am not arguing this, but I did not realize there was anything illicit in the car. My 95-year-old mother has lived in the States as a landed immigrant since the 1960s and I have been crossing the border to visit her since then. The last few years I have been going to New Jersey in the fall/winter to spend a few months with her helping her around the house and keeping her company. I am attempting to ensure that I will not face refusal to enter in the future. I am requesting all records, files, statements, videos, etc. related to this incident because I believe these will help show there was no attempt at smuggling anything, but simply overlooking to dispose of material that is legal in Canada before reaching the border.	2/4/2019	No Records

CBP-2019-026678	Louise Radnofsky	Communication between CBP and OMB, including Acting Director Russell Vought, leading up to Mr. Vought's Jan. 6, 2019 request to Congress to fund construction of a total of approximately 234 miles of new physical barrier at the Southwest border.  I am seeking any documentation supporting this request, including but not limited to any description of the planned location of the 234 miles of new physical barrier, details of whether the barrier will be exclusively linear or include secondary and tertiary barrier, and information about how the barrier requested in the FY2019 appropriations package will supplement replacement and new barrier constructed through funds appropriated in FY2018 and FY2017.  I am open to discussing with you ways that this request can be fulfilled. In the first instance, I would suggest searches on communications between OMB and officials from Customs and Border Protection containing these key words such as "new physical barrier", "steel barrier" and "Southwest border."  As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Through this request, I am gathering information about the use of taxpayer dollars, for dissemination to the general public, by cabinet-level officials that would also by definition meet an urgent need to inform the public about an actual or alleged federal government activity. Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities. In the interests of speed, however, and recognizing the importance of the records in question, I am not seeking a fee waiver and I am willing to pay all applicable fees under the fee benefit.	2/5/2019

CBP-2019-027642	(b)(6)	Hi, this request contains a lot of personal information that I hope is hidden from the public record. While applying for US citizenship, I was asked to prove that I crossed the Osoyoos-Oroville on October 4th, 2017. Since there is no stamp in my passport, I am requesting assistance to confirm my entry into the United States. Otherwise, it appears to the USCIS officer that I did not enter on that date and instead looks like I was outside of the states for a very long period of time (abandoned residency).  Here are my details: (b)(6)	2/7/2019	Improper FOIA Request for Other Reasons

The unsanitary conditions were present as hundreds of migrants arrived, sometimes multiple times a week.  The CBP never disclosed a Legionnairesâ€™ disease outbreak at the Antelope Wells port of entry â€™ even after the death of a Guatemalan migrant child died who had passed through the station. The Examinerâ€™s requests via email and phone with CBP HQ, the El Paso Sector, and Lordsburg Station offices to visit Lordsburg Station and Antelope Wells did not yield responses. That marked the first time a request to tour a CBP facility was ignored.	2/7/2019

CBP-2019-027728	(b)(6)	I am doing academic research on counterfeiting activities in global supply chains. One very big obstacle I face is the lack of publicly available data.  One interesting data source that I came across could be found on forfeiture.org website that lists the most recent forfeiture notifications by Customs and Border Protection but unfortunately, an archive of such notifications is not available on the web. Quite a number of listed seizures relate to trademark infringement and counterfeiting. Such a data set could be also extremely valuable for us in conducting research. I was wondering how such an archive of notifications could be shared with me.  I really appreciate your help.	2/8/2019	Full Grant

CBP-2019-028617	(b)(6)	Hello, I am hoping to obtain my records regarding customs and border patrol. I have been stopped two times in the last few months upon arrival to the US. Once, after global entry in DFW and now in Aruba. In DFW, I was held for about an hour in a holding room. In Aruba I was stopped for additional questioning and had all my bags checked. I am wondering if this is random or not, and if not, what I can do to prevent this from happening frequently when I travel internationally. Any information/records would be greatly appreciated. Thank you.	2/12/2019	Improper FOIA Request for Other Reasons

I would like to apply get the decision overturned. At this point my record has been expunged and I am enclosing copies from the courts showing that each court case has been expunged as one of your representatives I spoke with over the phone recommended I do. Please let me know if there is any additional documentation that you would need from me to help with this process. CBP-2019-029458	Mr. Michael Begg	This is a request under the Freedom of Information Act.  19 CFR 103.31 - Information on vessel manifests and summary statistical reports subsection (e.1) states that "Manifest data acquired from the Automated Manifest System (AMS) is available to interested members of the public on CD-ROMS...at the government's production cost." I contacted the name listed to find out that the government's product of a CD-ROM is \$100 and the CD-ROM only covers 1 day of data. A 100 pack of CDs can be purchased at \$ .10 a unit meaning that the remaining production cost is \$99.90 which is extremely high to copy data to a disc.  I request that a copy of the following documents that detail the government's product costs be provided to me. We are looking for a clear explanation of what the government's production costs are that cause a CD to be priced at \$100. We would request that the government's production costs are detailed on a line by line basis going back to January 1st 2018 to better understand how the government could charge the public \$100 for a single CD to be made.  I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest.	2/15/2019	Full Grant

On my most recent trip, my customs receipt had an X on my information and I was questioned by the agent. He asked if I have ever "used another name." CBP-2019-029658	(b)(6)	Hi, I'm filling form N-400 (application for US Naturalization) and one of the questions on the form asks to list all dates when I traveled outside the US (including Canada). Canada is the only country I've been to outside of US in the last 10 years but unfortunately, I've gone quite a few times and am finding it very difficult to find exact dates of entry and exit to and from Canada for all of the last 5 years.  After googling, I landed on this website and based on the reviews, it seems like this is the way to request information about my travel history. I also chanced upon the non-immigrant travel history page (which is awesome!) but sadly couldn't find any such page for travel history of permanent residents (like me) thus I'm applying for this request to get exact dates of all the times I've traveled to Canada and returned to US in the last 5 years.  I'd really appreciate any information you guys can find for me. Thank you!	2/19/2019	Full Grant

I would also benefit from a payment history of all payments received directly from me and amounts from payment offset for a collections correction since I was overcharged and getting all of it reimbursed or arrange a settlement agreement which ever suits better for continuance of conducting business or contracting from CBP/DHS, National or Federal Government Agency in the near future.  I also have a feeling and suspect that my information might of been used to submit permit applications for student visas and may have been under a Student Exchange program with out me knowing of and with out my consent. CBP-2019-029726	Dr. Rahi Abouk	Fentanyl is behind the opioid epidemic especially after 2013. A large part of fentanyl is shipped to the US from countries such as China. CBP is doing a great job in seizing fentanyl and other drug packages at the point of entry such as JFK international airport mail facilities.  I intend to conduct a study to evaluate the effect of the seizure of drugs, including fentanyl at the JFK international airport on opioid overdose deaths in the US. To conduct this study, I need to have access to the database of these seizures providing information about the date and amount of the seizure, the type of the drug and most importantly the receiver's zip code of the package. This zip code will be matched with the county in which an overdose death would have occurred if the package would not have been seized. I will match the requested database with the National Vital Statistics data obtained from the Centers for Disease Control and Prevention. I request to have access to the database from 2010 to the most recent year for which the data is available.	2/19/2019	Not an Agency Record

I would be appreciated if i can find out whats going on. The only thing i remember is that i just became a US citizen and had my membership when i was a green card holder. Last time i was travelling i had a confusion at the customs because their system wasn't updated about my citizenship status. So they sent me to the office to apply for a status update which i did with an officer. Thats the only thing i had.	2/19/2019	Not an Agency Record

CBP-2019-030074	(b)(6)	2019-TSFO-00211. My main problem is and I ask you to help me with this. I tried to get a holiday in the US, of course, was rejected and of course accept the rejection of the US government. The problem has increased. When I spend my New Years Eve 2019 in Cancun, Frankfurt Airport did not want to please me because of the planes I have American airspace. My trip was canceled. I called the embassy in January and was told to make an appointment and apply for a visa. I was in embassy 2 weeks ago and was immediately refused a tourist visa without reason. Now I can not vacation in America nor fly in an airplane. I have never had a problem with myself. I ask you how you can help me get out of this problem. CBP-2019-030306	Mr. Frederick A Calo	For the past year I have been regularly detained at US Customs and Border Patrol at Newark / Liberty International Airport when re-entering the country after an International airline flight to various countries. I am told by the agent that after a review I am free to go, it appears to be a record error. I have asked on a number of occasions why this is happening and the most common response is that I may have the same birthday or name as someone they are looking for. The last time I came through Newark (Saturday February 16, 2019), the agent advised that I perhaps try an FOIA request. This is the reason for the request.	2/20/2019	Partial Grant/Partial Denial

CBP-2019-030668	Ms. Michelle Dillon	<p>On April 11, 2019, you requested a clarification of FOIA request CBP-OCC-2019-030668, submitted originally on February 21, 2019. The original request is attached here for your reference.</p> <p>As an initial matter, HRDC disputes that the request was not detailed enough to allow a search, per the requirements of FOIA. We would like to note that a substantially similar request to the BOP were found proper in Prison Legal News v. Samuels, 05-cv-1812 (D.C.) and Prison Legal News v. Hurwitz, 1:15-cv-0823.</p> <p>Furthermore, ICE is responding to a similar request the course of Human Rights Defense Center v. DHS, 2:18-cv-01141-TSZ (W.D. WA); as is ORR in Human Rights Defense Center v. HHS, 2:18-cv-01442-JLR (W.D. WA).</p> <p>Without conceding that the request needs to be clarified or narrowed, HRDC makes the following two concessions.</p> <p>1.CBP does not need to produce any documents related to vehicle accidents where the total payout was less than \$30,000.</p> <p>2.Attached is a list of cases that meet the criteria described in our request. This list was downloaded from the Treasury Department's Judgment Fund database website, which is in turn based on information that your agency provided. This list may not be a complete list of all cases that meet the criteria, if there were payments made that did not go through Treasury. Nonetheless, this list has internal file numbers that should enable you to fulfill our request.</p>	2/21/2019	Not an Agency Record

CBP-2019-030876	Ms. Kavitha Surana	I am a reporter at ProPublica. I would like to file a records request with CHPA's border division adherent to the California Public Records Act.  I am requesting all materials and records related to an incident that occurred on August 10, 2017 in San Diego that involved a chase and collision. It was investigated by California Highway Patrol.  The collision resulted in the death of Israel Caballero Garcia.  The documents requested may include an incident report, eyewitness statements, photos or videos from the scene, correspondence sent from Border Patrol agents referencing Israel Caballero or other aspects of the crash, forensic reports, interview transcripts or videos, post-pursuit reports, and other relevant materials pertaining to the investigation.  Since I am a reporter on deadline, if some of these documents are easy to gather and others take more time, I'd appreciate to receive them on a rolling basis, as soon as they are available for release, if possible.  I would prefer to receive this footage electronically. If electronic files are not available, I would prefer to receive the footage on a DVD or CD-ROM.  If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the Act.	2/21/2019	Not an Agency Record

CBP-2019-030955	(b)(6)	Request all available and releasable post-1955 border crossing records, and any other records as may exist, for (b)(6), a Canadian engineer who lived in St. Catharines Ontario but was working in the Cortland, NY region during the 1962-63 time frame.  (b)(6) and his employer erected communications antennas, possibly microwave antennas, in the Cortland NY region and presumably elsewhere. It is currently believed that (b)(6) would be about 85 years old assuming he is still alive, so he would have been in his early 30s in the 62-63 time frame.  (b)(6) is my biological father, whom I am attempting to locate. My mother ended her relationship with him when she learned of his wife and children in St Catharines. It is my belief that (b)(6) may have crossed the US-Canada border in the Niagara region numerous times during the early- and mid-1960s, and perhaps before & after that as well. There may be other entries or exits as well, if (b)(6) can be more-positively identified.	2/22/2019	Improper FOIA Request for Other Reasons

CBP-2019-032279	(b)(6)	In 2015 my Visa was taken away at the border by a CBP agent because in the car was hidden kilos of marijuana that I didn't know where there. After talking to 2 agents from HSI they let me go. They offered me money to help them to catch the people who set me up and I told them I don't want any money that I just want my visa back and they said that I don't have any charges and that I can reapply for my visa, I reapply 5 months after that and was denied and I don't exactly why was denied. According to both HSI agents it won't suppose to be denied. I will like to submit a pardon request or if need to wait 10 years to reapply for the visa again.	2/27/2019	Partial Grant/Partial Denial

CBP-2019-032490	Miss Marcela Valdivia	Dear CBP FOIA Division,  This letter is to request access to records in the possession of U.S. Customs and Border Protection pursuant to the California Public Records Act (Government Code Section 6250 et seq.).  Please provide me an electronic copy of data from the last 10 years on the number of U.S. citizens that live in Tijuana and cross the San Ysidro Port of Entry by foot to work in San Diego everyday.  Specifically, I want the following, but not limited to:  A breakdown of the number of commuters by foot and car per month in the last 10 years.  I ask that this data be provided in a machine-readable format such as Microsoft Excel file, a text file or a Microsoft Access file.  I would also request a copy of the record layout of the database and a data dictionary to help interpret the information in the database.  Section 6253.9 of the Act requires "a public agency to make the record available in any electronic format in which it holds the information and authorizes the agency to charge the public for the direct cost of duplicating the records." As these data were generated by machine reading process, it is evident that such a record exists.  If you determine that an express provision law exists to exempt from disclosure all or a portion of material I have requested, Government Code Section 6256 requires notification to me of all reasons for the determination not later than 10 days from your receipt of this request.  Government Code Section 6256.2 prohibits the use of the 10-day period, or any provisions of the Public Records Act "to delay access for purposes of inspecting public records"	2/28/2019	Full Grant
