I travel extensively overseas for business and need this reinstated especially since nothing has changed in my status over the last 3 years since i have been in the program. CBP-2020-013103	(b)(6)	I am a Canadian citizen and have been living in Vancouver BC since 2007. On 2019/11/15, me, my girlfriend, and two other friends were traveling to Seattle from the Peace Arch Border in British Columbia. After 6 hours of 3-4 officers going through all our phones and asking plenty of questions, they denied entry to me and when I asked the reason why they said they didn't know. The officers walked us to the exit to our car. When we were going back to Canada they stopped the car again at the exit and asked us to go back inside. This time, after waiting another hour they said I am banned from entering the US. Again, when I asked them if there was a reason they said they don't know and that I should call in tomorrow to find out. Today, I called the office and was told to fill out this form. I am requesting information of why I was denied entry to the US. I travel to the US all the time and I've never encountered any problems.

CBP-2020-014955	Mr. JASPAL Singh Narchal	<p>I came USA on tourist visa and landed at Tacoma Airport Seattle on 23 December 2010 and there the CBP officers whole day asked me the questions and at last they cancelled my visa and told me that I have to withdraw my application to enter otherwise they will deport me and then sent me back to India next day as my ticket was for KLM Airlines and their earliest flight was next day and for that night they sent me to detention Centre.</p> <p>Before this I came couple of times to USA as in 2001 with my wife and then in 2005 but never overstayed and then I came on 10 Nov 2008 in this trip I fell down in mall and hurt my back very badly and while the doctors were doing my tests they diagnosed Hepatitis C and told me to get the treatment as the treatment may be not available in all cities in India. I took treatment , we stayed with proper extensions from USCIS and before expiry of last permission we came back India. Then I landed US on 5 May 2010 and came back on 20 May2010.</p> <p>When CBP officers withdraw my application to enter they told me that we are cancelling your USA Visa and I can apply for new Visa anytime I want , after that I applied couple or times for US Visa but always got denied as the Councillor at the times of interview tells me that they have shown some arrest and some charges for which we cannot issue Visa until those are cleared from my records and then I hired attorney also (Anu Attorney) but she took money for all this process and now she is never responding to my calls and emails.</p> <p>The CBP officers cancelled my Visa and wrote 22CFR41.122(h)(3) on my Visa. Now I contacted few attorneys they say to first take the report of charges CBP has put on me then they can help me.</p> <p>Please help me as I don't know what charges they have put on me due to which I'm not getting US Visa again, whereas my intention was always clear as tourist and always came back on time given.</p>

CBP-2020-015173	(b)(6)	Good Afternoon, I recently applied for the position of CBP Representative Toronto, Canada. I made the qualifying list of applicants and was subsequently interviewed for this position. As I understand it, three candidates names were submitted for vetting for this position, me being one of them. I was informally advised that I did not pass vetting by OPR and I would like to know why and how that decision was rendered. This decision puts into question my integrity, commitment and allegiance to the U.S. government which has never wavered throughout my career. I am very troubled by this information and seek to understand how this conclusion is even possible. The implications of that decision are significant and potentially cost me not being selected for this position. There has to be a fair and consistent process when vetting occurs. I appreciate your time and consideration.

CBP-2020-015682	(b)(6)	I am inquiring as to the reason why I was denied for Global Entry. I followed the instructions of the interviewing officer to submit additional information regarding my case following my initial denial. Following his instructions I submitted the documentation he deemed necessary for clarification on my arrest record. He instructed me that once this was received my application would be processed and I would be approved for Global Entry. So, I am submitting a request for my personal records to obtain clearer information and instructions on my denial. My arrest charge was a minor misdemeanor - disorderly conduct related to alcohol consumption. The interviewing officer instructed me to submit my arrest record indicating it was not related to any drug offenses, which I did. There is nothing related to drugs on my arrest record so I am confused as to why my denial for Global Entry was upheld. Can someone please provide me with additional information as to why I was denied and what I need to do in order to be eligible for Global Entry. Thank you.

CBP-IA-2020-016238	(b)(6)	Back in March of 2019 I had taken a polygraph for employment. I was asked to comeback for a second test. I was advised that I had failed because of the past drug use question. I know I have never taken drugs in my life and I have been a peace officer for over fourteen years. I have sent several requests to challenge the results. I have not heard back from anyone in the organization. I had been denied my right to challenge by CBP own policy. No one will return my calls. I am requesting the documents of CBP final decision regarding my dismissal from the hiring program.
