## ACE Reports, State of Union

### Software Upgrade:

- The existing Licenses are expiring mandating an upgrade of the software used to produce Reports.
- The software is Business Objects. Upgrade from 2.0 to 4.0
- The Authorized Data Extracts(ADE) have been developed with a different software they are no longer within Business Objects.
- Deployment is scheduled for October 26, 2013

### Impact to Users:

- Navigation and the Display will change.

## U.S. Customs and Border Protection

---

### Impact to Users continued:

- The Upgrade will not fix all the known issues with Reports.
- All Users need to save their reports to their personal folder to ensure migration.
- ADE will no longer have a 24 scheduled hour turn around.
- ADE retention has changed from 30 days to 90 days
- Effective October 21<sup>st</sup>- October 25<sup>th</sup>. Users should not create or modify any reports. Any reports that are created or modified will not be migrated. The user will lose the reports created that week.
