Thank you for joining today's webinar – the event will begin shortly; in the meantime, please read through the following reminders:

- Audio will be made available through your computer speakers, so please make sure your speakers are unmuted and working properly

- Closed captioning will also be available during today's webinar – text will appear in the lower left hand corner of your screen.

Agenda

❑ Air Import Manifest Overview

❑ Transition Timeline

❑ Support

❑ Fixes

❑ Questions

Air Import Manifest Overview

- Deadline for ACE Air Manifest continues to be May 1st and CBP will continue routing trade manifest submissions to both ACE Air Manifest and the legacy AMS.

- CBP is providing flexibility for trade to test the system **through June 6th** when Air AMS will be phased out.

  - ABI Air Inbond filers will continue to use QX/WX to allow the air industry additional time to test the system. The effective date for changing from QX/WX to QP/WP is June 7, 2015.

  - All ABI filers will continue to use the IN query to query Air Bills. The CQ query for air manifests will become available on June 7, 2015.

Jan 3, 2015
- Deployment of Air Manifest
- Air manifest dual processing (ACS and ACE)

April 2015
- Train the Trainer Training
- Port Training

June 7, 2015
- ACE system of record
- All air manifest processing in ACE

U.S. Customs and Border Protection

Transition Timeline

Saturday, June 6   Sunday, June 7

6 PM
Take down AMS
and extract data

11 PM
Bring down ACE
and upload code
and AMS data

3 - 4 AM
ACE becomes
system of record
for air processing

- CBPOs will begin to work air manifests in ACE as of Sunday, June 7

- All data will be available, but ACE may take longer to load (i.e. larger flights with many bills)

- Trade may see delay in responses from seconds to minutes

Support

- If you are experiencing issues with air manifest
    - **During business hours**: contact your Client Rep
    - **Outside normal business hours**: contact the help desk (1-866-530-4172 or ACE.Support@cbp.dhs.gov)

- CBP will have additional on-site support at 9 various airports and express facilities during the transition

- CBP will also have a 24/7 war room staffed for trade and field support from Sunday (6/7) through Thursday (6/11) for any off-hour issues

Fixes

#	Date	Issue Description	JIRA Issue Tracking	Date Resolved*
1	03/10/2015	House BOL number on outbound FSC message is normalized. BOL number should be transmitted as received.	AMI-6990 - *CERT* BUG: FSC messages not outputting AWB line as received in FSQ Resolved	In CERT
