CBP-2014-008576	Kyle Coombs	I am looking for line watch hours as a measure of enforcement along the Southwest border. Line watch hours measure the time spend patrolling the border between the U.S.-Mexico border in a given year. Ideally the data should be separated out for each border patrol sector as far back as possible. I have attached several studies which report using this data.	1/9/2014 14:01

CBP-2014-011636	Katherine A. Thomas	We are trying to understand the aviation traffic that crosses the border annually. We would like reports on the "eAPIS" requests that were filed in 2013. If no such reports are readily available, we would like a report in Microsoft Excel, including information on aircraft, make, model and passenger count. If possible, we would also like the information on destination and origin country.	1/31/2014 14:01
