Presidential Proclamation 8596, dated November 1, 2010 and published in the *Federal Register* (75 FR 213) on November 4, 2010, implements provisions of the HELP Act, which modify HOPE II. The Proclamation, Annex II, identifies the changes to the Harmonized Tariff Schedule (HTS) Chapter 98, Subchapter XX.

The modifications are in effect as of November 1, 2010 for goods that are entered or withdrawn from warehouse, for consumption, and will continue for the specific time period provided for under each subdivision as noted. This administrative notice details the modifications set forth in Annex II of the Proclamation.
