EXPANSION OF GLOBAL ENTRY ELIGIBILITY TO CITIZENS OF THE REPUBLIC OF PANAMA

[CBP DEC. NO. 15–01]

AGENCY: U.S. Customs and Border Protection; Department of Homeland Security.

ACTION: General notice.

SUMMARY: U.S. Customs and Border Protection (CBP) has established the Global Entry international trusted traveler program at most major U.S. airports. Global Entry allows preapproved, low-risk participants expedited entry into the United States using Global Entry kiosks located at designated airports. Currently, eligibility for participation in Global Entry is limited to U.S. citizens, U.S. nationals, U.S. lawful permanent residents, Mexican nationals, and certain eligible citizens of the Netherlands, the Republic of Korea, the Federal Republic of Germany, the State of Qatar, and the United Kingdom. Additionally, participants in the NEXUS trusted traveler program and certain participants in the Secure Electronic Network for Travelers Rapid Inspection (SENTRI) trusted traveler program are permitted to use the Global Entry kiosks as part of their membership in those programs.¹ This document announces that CBP is expanding eligibility for Global Entry to include citizens of the Republic of Panama. All of these individuals must otherwise satisfy the requirements for participation in the Global Entry program. Additionally, this document announces that U.S. citizens who participate in Global Entry or U.S. citizens who can utilize Global Entry kiosks as NEXUS or SENTRI participants have the option to apply for membership in Panama Global Pass, the Republic of Panama’s trusted traveler program.

¹ See the Utilization of Global Entry Kiosks by NEXUS and SENTRI Participants Federal Register notice, December 29, 2010 (75 FR 82202) for further information.
DATES: The expansion of eligibility to citizens of the Republic of Panama will occur on January 12, 2015. Applications will be accepted from citizens of the Republic of Panama beginning January 12, 2015.

SUPPLEMENTARY INFORMATION:

Background

Global Entry Program

Global Entry is a voluntary program that allows for the expedited clearance of pre-approved, low-risk travelers arriving in the United States at Global Entry kiosks located at designated airports. CBP issued the final rule that promulgated the regulation to establish Global Entry as an ongoing voluntary regulatory program in the Federal Register (77 FR 5681) on February 6, 2012. The final rule contains a detailed description of the program, the eligibility criteria, the application and selection process, and the initial airport locations. See 8 CFR 235.12. Travelers who wish to participate in Global Entry must apply via the Global On-Line Enrollment System (GOES) Web site, https://goes-app.cbp.dhs.gov, and pay the applicable fee. Applications for Global Entry must be completed and submitted electronically.

Eligibility for participation in Global Entry is limited to U.S. citizens, U.S. nationals, U.S. lawful permanent residents, and certain nonimmigrant aliens from countries that have entered into arrangements with CBP regarding international trusted traveler programs. Specifically, the regulation provides that certain nonimmigrant aliens from countries that have entered into arrangements with CBP concerning international trusted traveler programs may be eligible to apply for participation in Global Entry after CBP announces the arrangement by publication of a notice in the Federal Register. The notice will include the country, the scope of eligibility of nonimmigrant aliens from that country (e.g., whether only citizens of the foreign country or citizens and noncitizens are eligible) and other conditions that may apply based on the terms of the arrangement. See 8 CFR 235.12(b)(1)(ii). In the preamble of the Global Entry final rule, CBP recognized the existence of previous arrangements it had with Mexico and the Netherlands regarding the international trusted traveler programs and announced that Mexican nationals and certain citizens of the Netherlands were eligible to apply for the Global Entry
program. It further specified that Mexican nationals and citizens of
the Netherlands who were existing participants in the Global Entry
pilot would be automatically enrolled in the ongoing Global Entry
program. Additionally, in the preamble of the Global Entry final rule,
CBP recognized that pursuant to a previous Federal Register
notice, participants in NEXUS and certain participants in SENTRI
would still be allowed to use the Global Entry kiosks.

In a notice published in the Federal Register (78 FR 48706) on
August 9, 2013, CBP expanded Global Entry eligibility to include
citizens of the Republic of Korea who are participants in the Smart
Entry System (SES), a trusted traveler program for preapproved,
low-risk travelers at designated airports in the Republic of Korea via
the use of e-gates; a limited number of citizens of the Federal Repub-
lic of Germany who are participants in the Automated and
Biometrics-Supported Border Controls (ABG) Plus, a trusted traveler
program in the Federal Republic of Germany; a limited number of
citizens of the State of Qatar; and a limited number of citizens of the
United Kingdom who frequently travel to the United States.

This document announces the further expansion of the Global En-
try trusted traveler program to citizens of the Republic of Panama.

The Republic of Panama

On February 29, 2012, the U.S. Department of Homeland Security,
CBP and the Ministry of Public Security of the Republic of Panama
signed a Joint Statement regarding the development of an interna-
tional trusted traveler initiative. As CBP and the Republic of Panama
have negotiated the operational details and completed the necessary
infrastructure updates, CBP is now ready to announce that, based on
the Joint Statement, citizens of the Republic of Panama are eligible to
apply for participation in Global Entry.

In order to participate, citizens of the Republic of Panama who
apply for Global Entry will be required to complete the on-line appli-
cation located on the GOES Web site, pay the nonrefundable Global
Entry fee, and satisfy all the requirements of Global Entry. These
applicants will be permitted to participate in Global Entry only upon
successful completion of a thorough risk assessment by both CBP and
the Republic of Panama’s Ministry of Public Security and completion
of an interview with CBP. The vetting criteria were mutually devel-
oped and are consistent with each agency’s applicable domestic laws
and policies. Once the risk assessment has been completed, CBP will
notify the applicants regarding whether or not they have been ac-
cepted into Global Entry.

2 See the Utilization of Global Entry Kiosks by NEXUS and SENTRI Participants Federal
Register notice, December 29, 2010 (75 FR 82202) for further information.
Applicants may be denied enrollment in the Global Entry program for various reasons. An individual who is inadmissible to the United States under U.S. immigration law or has, at any time, been granted a waiver of inadmissibility or parole is ineligible to participate in Global Entry. Applications from such individuals will automatically be rejected. Applications for Global Entry may also be rejected if the applicant has ever been arrested for, or convicted of, a criminal offense, or if the individual has ever been found in violation of customs or immigration laws, or of any criminal law. Additionally, an applicant will not be accepted for participation in Global Entry if CBP determines that the applicant presents a potential risk of terrorism, or criminality (including smuggling), or if CBP cannot sufficiently determine that the applicant meets all the program eligibility criteria. The eligibility criteria are set forth in more detail in the Global Entry final rule and 8 CFR 235.12. See also http://www.globalentry.gov.

U.S. Citizens’ Participation in Panama Global Pass

Pursuant to the Joint Statement, U.S. citizens who are Global Entry participants or U.S. citizens who can utilize Global Entry kiosks as NEXUS or SENTRI participants have the option to apply for Panama Global Pass membership. Panama Global Pass is a trusted traveler program in the Republic of Panama that uses self-service kiosks to offer expedited processing for air travelers through clearance formalities when entering the Republic of Panama. All U.S. applicants must apply for Panama Global Pass directly with the Government of Panama, be thoroughly vetted by both CBP and the Republic of Panama and be interviewed by the National Immigration Service of Panama in the Republic of Panama to complete the enrollment process. U.S. applicants are required to pay the Panama Global Pass non-refundable $100 fee for a five-year membership. The Republic of Panama will notify the U.S. applicant directly about whether he or she was approved for Panama Global Pass. More information about how to apply for Panama Global Pass membership is available at http://www.globalentry.gov.

QUARTERLY IRS INTEREST RATES USED IN CALCULATING INTEREST ON OVERDUE ACCOUNTS AND REFUNDS ON CUSTOMS DUTIES

ACTION: General notice.

For the calendar quarter beginning January 1, 2015, the interest rates for overpayments will be 2 percent for corporations and 3 percent for non-corporations, and the interest rate for underpayments will be 3 percent for both corporations and non-corporations. This notice is published for the convenience of the importing public and U.S. Customs and Border Protection personnel.

SUPPLEMENTARY INFORMATION:

Background

Pursuant to 19 U.S.C. 1505 and Treasury Decision 85–93, published in the Federal Register on May 29, 1985 (50 FR 21832), the interest rate paid on applicable overpayments or underpayments of customs duties must be in accordance with the Internal Revenue Code rate established under 26 U.S.C. 6621 and 6622. Section 6621 was amended (at paragraph (a)(1)(B) by the Internal Revenue Service Restructuring and Reform Act of 1998, Public Law 105–206, 112 Stat. 685) to provide different interest rates applicable to overpayments: One for corporations and one for non-corporations.

The interest rates are based on the Federal short-term rate and determined by the Internal Revenue Service (IRS) on behalf of the Secretary of the Treasury on a quarterly basis. The rates effective for a quarter are determined during the first-month period of the previous quarter.

In Revenue Ruling 2014–29, the IRS determined the rates of interest for the calendar quarter beginning January 1, 2015, and ending on March 31, 2015. The interest rate paid to the Treasury for underpayments will be the Federal short-term rate (1%) plus two percentage points (2%) for a total of three percent (3%) for both corporations and non-corporations. For corporate overpayments, the rate is the Federal short-term rate (1%) plus one percentage point (1%) for a total of two percent (2%). For overpayments made by non-corporations, the rate is the Federal short-term rate (1%) plus two percentage points (2%) for a total of three percent (3%). These interest rates are subject to change for the calendar quarter beginning April 1, 2015, and ending June 30, 2015.

For the convenience of the importing public and U.S. Customs and Border Protection personnel the following list of IRS interest rates used, covering the period from before July of 1974 to date, to calculate interest on overdue accounts and refunds of customs duties, is published in summary format.

Abstract: This collection of information is for CBP’s Trusted Traveler Programs, including the Secure Electronic Network for Travelers Rapid Inspection (SENTRI), which allows expedited entry at specified land border ports of entry along the U.S.-Mexico border; the Free and Secure Trade (FAST) Program, which provides expedited border processing for known, low-risk
commercial drivers; and Global Entry, which allows pre-approved, low-risk air travelers expedited clearance upon arrival into the United States.

The purpose of all of these programs is to provide prescreened travelers expedited entry into the United States. The benefit to the traveler is less time spent in line waiting to be processed. These Trusted Traveler Programs are provided for in 8 CFR 235.7 and 235.12.

This information collection also includes the U.S. Asia-Pacific Economic Cooperation (APEC) Business Travel Card (ABTC) Program, which is a voluntary program that allows U.S. citizens to use fast-track immigration lanes at airports in the 20 other APEC member countries. Applicants may apply to participate in these programs by using the Global On-line Enrollment System (GOES) at https://goes-app.cbp.dhs.gov. Applicants may also apply for SENTRI and FAST using paper forms (CBP Form 823S for SENTRI and CBP Form 823F for FAST) available at http://www.cbp.gov or at Trusted Traveler Enrollment Centers.

After arriving at the Federal Inspection Services area of the airport, participants in Global Entry can undergo a self-service inspection process using a Global Entry kiosk. During the self-service inspection, participants have their photograph and fingerprints taken, submit identifying information, and answer several questions about items they are bringing into the United States. When using the Global Entry kiosks, participants are required to declare all articles being brought into the United States pursuant to 19 CFR 148.11.
