

CONDITIONAL TERMINATION AND NEW BOND REQUEST

(Note: All of the following conditions must be met in order for CBP to consider this request. 1. The termination & replacement bond must be filed together in a single submission to the Bond Team, and that submission must include a specific request from the surety to forebear from implementing the termination. 2. The existing bond cannot be the subject of an active bond sufficiency letter issued by CBP. 3. The 'final' termination date and the new, replacement bond effective date must be consecutive calendar days.)
