## Change Description

<b>Detailed Description:</b>	A. The user is currently required to select USA in a field that is mandatory USA. Hardcode USA do not allow user to change. B. The address where the driver will be in the USA is often times the consignees address. Currently a carrier is required to manually type this complete address every time they use a non-FAST driver. Give the user the ability to access the consignee file on the screen where they are required to enter the address where the driver will be in the U.S.
