<b>Title:</b>	MMM-HL-065-Amend equipment error message (Portal)				

## Change Description

<b>Detailed Description:</b>	A frequent error message received is: "License Plate Information Missing for Equip." This error happens when an e-Manifest has been sent to CBP and the equipment needs to be amended. The carrier does everything correctly to replace the equipment but then receives this error. At this point the carrier has no choice but to cancel the manifest. They can keep the shipment by selecting "@Cancel Manifest but Keep Shipment@". The carrier then creates a new manifest and attaches the unassociated shipment to it@, which now reflects the new equipment. This workaround is time consuming and cumbersome.
