Requirements Description

Business Area:	ESAR
Request Type:	Business Need
Impacts Trade?	Yes
Description of Change:	<p>Brokers are requesting the ability to receive their courtesy copy of CBP Forms 28, 29 and 4647 through the ACE Portal. They would also like the ability to respond to CBP Forms 28, 29, and 4647 on behalf of their importer clients through the ACE Portal. The functionality being requested by the brokers through the ACE Portal is similar to what will be available to the importers with ACE Accounts in A2.2. Brokers would be able to select their method of communication to receive their courtesy copy of the forms. The broker Trade Account Owner would be able to grant access to forms to specific users of their account. If the broker selects the ACE Portal as their method of communication, they will receive a copy of ALL CBP form 28s, 29s, and 4647s for ACE entry summaries that they file on behalf of their clients. Broker will also need to be able to search for forms in the ACE Portal and view results of the search. The ability to upload attachments as a response to the form should also be available as well as the ability to print a form as a PDF. Broker should also have the ability to</p>

	<p>run a report on their open or close CBP Form 28s, 29s and 4647 for a specific time period.</p> <p>In the future the capabilities available to the broker through the ACE Portal should also be available via EDI. Brokers should have the option to use both EDI and the ACE portal.</p>
