

AUTOMATED COMMERCIAL ENVIRONMENT NEW AND UPCOMING ACE CAPABILITIES

NEW CAPABILITIES DEPLOYED NOVEMBER 2ND & JANUARY 4TH

MANIFEST

- **Integration of the Vessel Management System (VMS)** into ACE, allowing officers to more efficiently track and monitor vessels entering and leaving ports

CARGO RELEASE

- **Expansion to ocean and rail modes** for basic ACE Cargo Release functions
- Elimination of paper processes through **Electronic Entry Corrections/Cancellations**
- **Incorporation of Splits, Partials and In-Bonds** for Air shipments
- **Incorporation of Mail Entry Writing System (MEWS)** into ACE, to enhance processing of imports received and processed by the U.S. Postal Service

ENTRY SUMMARY

- **Implementation of Entry Summary Validations** for Harbor Maintenance Fees, Tariff Classification and Simple Duty Calculations, to enhance the integrity of data submitted to CBP

PARTNER GOVERNMENT AGENCY (PGA) INTEGRATION

- **Implementation of the PGA Message Set** to support initial pilots, targeted to begin in Spring 2014, with the Environmental Protection Agency and the Food Safety and Inspection Service

- **Streamlined screens for CBP Agriculture Specialists** so they can more efficiently input findings to CBP and Animal and Plant Health Inspection Service systems, resulting in a 33% reduction in redundant data entry
- **Enhanced PGA Message Set submission** to reduce data duplication for the filer
- **Creation of a Single Accept/Reject message** containing CBP and Partner Government Agency (PGA) actions on entries and entry summaries

NEW CAPABILITIES COMING APRIL 5TH

CARGO RELEASE

- **Expansion to truck mode** for basic Cargo Release functions
- **Implementation of Certified from Summary capabilities**
- **Deployment of Cargo Release advanced capabilities** for ocean and rail modes

ENTRY SUMMARY

- **Implementation of Complex Duty Calculation and Merchandise Processing Fee Validations**

EXPORTS

- **Incorporation of export commodity processing into ACE** and decommissioning of Automated Export System
- **Incorporation of Census Bureau and Bureau of Industry and Security** regulatory changes in ACE
- Support for **Advance Export Information pilot**
