Requirements Description

Business Area:	
Request Type:	Business Need
Impacts Trade?	Yes
Description of Change:	<p>Trade members consisting trade associations and other interested trade associated firms would like to request a new and separate ACE Account category, entitled Trade Associations or ACE Interested Party. For the most part, this Account would be available to those associations dealing with trade as its primary function or serving as an association for such firms, and who have an interest in AD/CVD cases as well as other reference only material.</p> <p>As ACE Accounts, approved ACE Interested Parties would have the same access, through their Portal, as importers, filers and sureties will have to the Commerce AD/CVD Case Information Management System that was previewed for the Trade Ambassadors at the December 17, 2008 ESAR Trade Session, as well as other reference only data available.</p> <p>Additionally, ACE Interested Party Accounts would have limited functionality with regard to AD/CVD Reports. Accounts should be able to get reports on AD/CV duties paid, AD/CV duties bonded, and AD/CV duties liquidated during a specific Commerce Period-of-Review (POR). These summary reports would only be available at the 7-digit case level, not</p>

	<p>the 10-digit case level. Under this restriction, no individual entry information would be available, nor any value summary information. The information proposed for these reports is already provided by Customs on their website, but on a fiscal year basis.</p> <p>This GIF would require no additional information. It would only involve establishing certain limits to existing data and reports.</p>
<p>Benefit of Change:</p>	<p>We believe the benefits of having this type of ACE Account would be manifold.</p> <p>With regard to the AD/CVD Case Information, Interested Party Accounts are better positioned to review and validate the case information than importers, filers or sureties, the other ACE Accounts with access to this information. Now that the information is available in ACE through the Portal, the timing is perfect for AD/CVD Interested Party Accounts.</p> <p>As concerns the proposed limited access to AD/CVD Reports, such functionality would reduce the requirements for a number of public reports that Customs must currently prepare, as well as reduce the demand for additional reports from Congress on the administration of the AD/CVD statutes.</p>
