Requirements Description

Business Area:	ACE Carriers
Request Type:	Business Need
Impacts Trade?	Yes
Description of Change:	<p>Motor carriers utilizing the Manifest need to know when customs brokers have submitted Bioterrorism Act Prior Notice to Customs. The timing requirement for the Prior Notice is 2 hours prior to trucks reaching the border, which conflicts with the Trade Act requirement of 1 hour or ½ hour, depending on whether the freight qualifies for C-TPAT. Without a feedback loop of this broker activity via ACE, carriers do not know if the BTA requirements have been met and thus risk penalties and turnarounds at the border.</p> <p>Motor carriers without this feedback loop will not be able to schedule loads to advance to the border with any certainty that the FDA Bioterrorism Act Prior Notice requirements have been met.</p>
Benefit of Change:	The reduction of violations at the border and confusion over freight eligibility to advance to the border.
Impact Assessment:	Unknown at time of entry in tool.
