## Requirements Description

Business Area:	Revenue
Request Type:	Business Need
Impacts Trade?	Yes
Description of Change:	<p><i>Where liquidation has not been suspended or extended, the system will generate and give official notice of liquidation at the time of liquidation. If an extended liquidation will be further extended, the system will give official notice of further extension prior to the expiration of the last extension. The system will generate and give official notice of liquidation at the time of liquidation, or if that is not possible for any reason, as soon thereafter as is possible, regardless of the legal authority by which the liquidation was done. The official notice of extension or liquidation, as the case may be, will conform to all requirements for, and serve as the legal notice of extension or liquidation, respectively. Once legal notice of liquidation has been accomplished as prescribed herein, it will be the final and only legal notice of liquidation, and there shall be no other notice of liquidation given that would change the date of notice.</i></p> <p><i>For record keeping purposes, the trade would like to be able to have an ACE report to capability that shows when liquidation has been suspended or extended.</i></p>
