SVI Notification to Trade

- If a change happens to your Partner Account SVI Monitoring page, all contacts associated with the partner will receive a notification that a change has occurred.
- Changes include:
 - a company drops off the list (they generate a new SVI number)
 - a company status changes to a Non-Certified state
 - a company status changes to a Certified state
 - New additions will NOT trigger this email
- Do to legal constraints, the notification will not call out in detail what change occurred but modified dates have been added to assist you in determining what caused the notification.
