

CBP (FAST) Transponder Controls  
[Company Name]  
[Date of Implementation]  
[Latest Revision]

CBP transponders may only be ordered by [the president].

CBP transponders may only be issued, activated, and deactivated by [the president]. If modifications to transponder records, either internally or with U.S. Customs and Border Protection, are required, such modifications may only be made by [the owner].

[company name] will never request CBP transponders for other companies.

[company name] will never request CBP transponders for any owner-operator that is not directly controlled by, and under exclusive written contract to, [the company].

When disposing of a vehicle with a FAST-activated transponder, whether through sale or otherwise, [the company] will remove the transponder prior to transferring possession of the vehicle.
