

Account Management Committee

No new activity to report

On-going Activity – The Account Management Committee and Broker Account Subcommittee are working on a GIF request for an ultimate consignee report requested by the Grocery Manufacturers Association (GMA). The GIF was referred to the Legal Policy Committee for review and determination on what type of data can be released under provisions of the Trade Secrets Act.

Entry Committee

The Entry Committee met to discuss the Document Imaging System and drafting recommendations for fewer meta-data requirements. In addition, the Committee submitted a GIF which outlines a trade need for a report to eliminate the need to run both the ESM-7008 and the AM -100 report to determine duty amounts actually paid and whether or not de minimus was applied.

Export, Multi-Modal Manifest, ITDS Joint Committee Report: Automated Export (AE) Task Group)

- The AE Task Group and the appropriate TSN committees are reviewing final re-validated export user requirement documents to prepare final baseline user requirements that are in scope and user requirements that require further internal CBP, Census, or PGA review.
- The AE Task Group will meet in September to finalize baseline user requirement documents.
